Dear Neighbors,

My Fiancé and I recently opened up a Brand New YTB Travel Agency called **“Ready 2 Travel!”** and we wanted to share this exciting news with you. You probably have not heard of **YTB** (*Your Travel Biz.com*) and that is the exciting part. We had not heard of this incredible company either until one of our dear friends let us in on this wonderful secret.

YTB is a Christian company that allows us, as franchise owners, to help our family, friends and **YOU**, our neighbors, to help save you money on all your travel needs even more than the other online companies can.

All we desire to do is share our website with you. So, the next time you book a hotel, check on a flight, rent a car, book a cruise, look for concert/game tickets or go on a family vacation please check out our website first.

Our website is www.YTBTRAVEL.com/W2T

We hope that we can help save you and your family money in these difficult economic times... *every Dollar Saved is a Dollar Earned!*

Thank you again for your time and support.

Sincerely,

David McDowell
